On your Wedding Day.....

Drinks

After your ceremony it is usual practice to offer your guests a drink to celebrate with this could be anything from Champagne, Sparkling wine or a drink on arrival from the bar. It is also popular to choose drinks based on the time of year or theme of your wedding, for example Pink Champagne, Cider, Pimm's for summer or Mulled wine for winter.

Photography

Photographs are an important part of the day because you will look back at them for years to come. It would normally take between 45 minutes and an hour to have all the photographs taken. The most efficient way is to have a pre-arranged list typed up for all your group shots. Give a copy of the list for the photographer and get the best man and ushers to help gather people.

The Wedding Breakfast

Our Master of Ceremonies will announce the meal and once all the guests have located their seats, they will be asked to be up standing to receive the bride and groom.

The toasts and speeches can be done either before the meal or afterwards. Our master of ceremonies can introduce all the speakers.

Cake Cutting

Cake cutting can be done either:

Before the meal

After the main course of your meal - this is nice if you are serving your cake as a dessert or after the meal with coffees.

If you have a lot of evening guests you could give them all a photo opportunity and cut the cake at the beginning of your evening reception then serve wedding cake with the evening buffet.

Evening Buffet

The evening buffet is served around 9pm-10pm

We would always recommend catering for all guests present.

Entertainment

The hotel can accommodate a band or a disco. We have contact numbers for both.

We ask that the evening entertainment is finished by no later than 12.30am.

Going Home

Wedding guests should arrange transport home in advance for collection from the hotel no later than 12.45am. A late bar will be available for residents only and will close at the discretion of the duty manager.

Accommodation for your Guests

The wedding party can add to the event.

The hotel has 12 rooms – 2 Executive Double rooms, 1 Family room & 8 Standard Twin/Doubles and 1 Single room.

Please discuss any accommodation requirements you have at the time of booking.
